Product Description

W.R. Long: Live 3rd Function Valve Kits (20 GPM)

Product Information

The W. R. Long Live 3rd Function Valve Kit is designed for most subcompact, compact, farm, utility, and large utility loaders. Engineered specifically for each loader and tractor model, these kits ensure a precise fit and seamless operation.

Key Benefits

- **Loader/Tractor Specific** - Includes mounting brackets, adapters, and hose assemblies for a direct fit.
 - **Complete & Pre-Assembled** - Valve comes fully assembled for easy installation.
 - **All-Inclusive** - Contains all necessary components to operate a 3rd function attachment.
 - **Enhanced Control** - Features a custom-molded hand grip for superior handling.
 - **Power Beyond Integration** - Utilizes the power beyond port of the tractor loader valve.
 - **Assembled in the USA** - Built with quality craftsmanship.
-
