### Product Description

## LaneShark: Switch Kit

### Switch Kit Details:

Our 3rd Function Switch Kit is **exclusively compatible** with **Kubota L Series, MX Series, M Series, John Deere 3 and 5 series Tractors**.

No more fumbling with your 3rd-function lever or makeshift solutions like bungee cords holding the valve control open. The Lane Shark Switch Kit keeps your hydraulic line open for continuous hydraulic flow, which is necessary for the Lane Shark Brush Cutter's operation.

### Lane Shark Switch Kit includes:

- Lane Shark Switch Box
  - Prefabricated Whips and Fittings
  - Necessary hoses and hardware
-
